## Ex. 5 - Deliberative Process

Oliver Milman, a journalist at Guardian US, is working on a story regarding the recent chlorpyrifos incident on May 5<sup>th</sup> in Bakersfield, CA.

### Inquiry:

What steps is the EPA is taking over the recent pesticide incident near Bakersfield, CA that caused illness to several farm workers? Is there an investigation underway? Will the EPA be taking any further action?

### Suggested Response:

## Ex. 5 - Deliberative Process

**Subject:** Question on pesticide incident

Hi Bill and Kelly

I'm a journalist at Guardian US, based in New York. I'm keen to know what steps the EPA is taking over the recent pesticide incident near Bakersfield, CA that caused illness to several farm workers.

Is there an investigation underway? Will the EPA be taking any further action?

If you could get back to me on that today, that would be great.

Thanks

Oliver
